The 1978-79 Laurel Wrestling Team had a fair season, finishing with an overall record of 8-8-1. This was the first year in which the team has consisted of both an A team and a B team. Brian Moe was named outstanding wrestler in three matches, while Paul Dubrow, Mark Klumpp, Guy Hohenhaus, Larry Smith and Kurt Coykendall were each named outstanding wrestler in two matches. With the majority of the team graduating this year, the senior wrestlers will be greatly missed.

The Spartans made a commendable showing at the P.G. County Tournaments, ending in fifth place. Paul Dubrow achieved a first place victory. Other Laurel wrestlers who placed in the County Tournaments and went on to compete in the Regional Tournaments were Guy Hohenhaus, Jim Nicholas, and Steve Terpening, finishing in third place; and Kurt Coykendall, Brian Moe and Tony Barnes, finishing in fourth place. All members of the team and Coach Cohen should be praised for their hard work and dedication.
