"I will always remember Jimmy as a best friend. We met at Laurel High in the 9th grade. He spent a lot of time, he and his brother, at my house on 7th St. in Laurel. We were on the wrestling team together for 3 years. Jim was a great wrestler and greater leader. He co-captained the wrestling team in our senior year (1965). He attended my luncheons and we had a good time catching up. You'll be missed and fondly remembered...always."

Tony West -- LHS 1965

"May God watch over Jimmy - rest in peace LHS Spartan."
